HYMN OF THE WEEK

*O Little Town of
Bethlehem*

WEEKLY MILESTONES

Take a moment to tell or think about a recent mountain high and/or valley low in your life.

CARING CONVERSATIONS

Discuss in your home, small group, or use for personal reflections:

- How would you describe a relationship you have with a good friend?
- What words describe a person who lives a faith-filled life?

DEVOTIONS

Read: Colossians 3:12-17.

From the gift of baby Jesus to the sharing of gifts at Christmas, there is lots to feel good about this time of year. This reading of Colossians helps us to make those good feelings into a faith-filled way of life. We are to clothe ourselves each day as followers of Jesus and experience the power of love in Christ through our daily relationships. We are to embrace a life where we don't have to be number one. In Christ we have everything we need to face each day ready and content. We can be calm because the storms of life have already lost their power. We can sing for joy because we are forgiven and are free to forgive others as a way of saying, "I love you." With gratitude and thanksgiving, we can teach and learn from one another without embarrassment or resentment. Christmas is present in this passage because it is filled with the love of God and an active pursuit of peace that will not end. We are to live our lives in such a way that we "let the peace of Christ rule in our hearts" (v. 15) and as a way of saying to God, "Thank you for Jesus."

Discuss: When is a time you have experienced the love of Christ through your relationships with others?

Pray: Loving God, in Christ you open for us a way of life filled with forgiveness, love, joy, and peace. For all that we celebrate this time of year, we give you thanks. Amen.

SERVICE

Jesus calls us to serve our neighbor in love. Based on the Daily Bible readings and theme for this week, what can you do to show forgiveness and peace to someone?

RITUALS AND TRADITIONS

Christmas is a season of twelve days. St. Francis of Assisi is credited with making the first nativity scene on Christmas Eve in the year 1223. He is also known for his love of animals and birds and felt they should be remembered during Christmas because they were present at the birth of Jesus. Think or talk about what animals you think may have been present at that time. Then go on a walk outside and observe all the animals, both wild and domesticated, that surround you in your neighborhood.

Pray: Dear Lord, we praise you for all creation. We praise you for mountains and hills, for fruit trees and cedars, for wild animals and cattle, for creeping things, and flying birds. Amen.
